LAX OUT CANCER 2016 DONATION FORM

Once again, the Shoreham-Wading River Community is hosting this amazing cancer fundraiser! We are excited to welcome the Miller Place lacrosse team and their families. This year The Patchogue-Medford and Bayport-Blue Point Lacrosse teams and their families will be joining us in our efforts. ALL funds raised will go to local children who are battling this terrible disease. These children and their families need our love. They need to feel hope in their hearts. They need our generosity...
