"Live every day like it's your last...Play every game like it's your last..."

~Mr. McGuire (2011)

Once again, the Shoreham-Wading River Community is hosting this amazing cancer fundraiser! We are excited to welcome the Miller Place, Patchogue-Medford, Bayport Blue Point, and Comsewogue lacrosse teams and their families. ALL funds raised will go to local children who are battling this terrible disease. These wonderful children and their families remind us every day that perseverance, hope and love can make all the difference in life. These children need our love. They need to feel hope in their hearts. They need our generosity...This year we are helping
